Financial Policy

We are committed to providing you with the best possible care. If you have medical insurance, the patient is responsible to present an insurance card or update any changes to their primary and secondary insurance in order to receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and your understanding of our payment policy.

If you require a referral please note, referrals are PATIENT RESPONSIBILITY.

Your applicable payment or co-payment for services is due at the time services are rendered. We accept cash, check, MasterCard, Visa, or Discover Card. Any returned checks from your bank due to insufficient funds will be assessed a \$50.00 fee plus your balance.

Missed Appointment and Cancellations

Our office charges a **\$75.00** fee for missed appointments and late cancellations. We give a **COURTESY** appointment reminder call 24-48 hours in advance, but we are **NOT** responsible for remembering your appointment, **YOU ARE!** Therefore, if we have any technical difficulties we will still charge you, as we just give **COURTESY** phone calls and you are ultimately responsible for your appointment.

For cancellations and reschedules, you must provide a **24-hour notice** or you will be charged a missed appointment fee. This fee must be paid prior to your next visit. If you arrive late to your appointment, we reserve the right to reschedule your appointment and charge a missed appointment fee.

In the event an account is placed in collection status, the account would need to be paid in full prior to scheduling any future appointments.
